1 then what?

2 MR. FROMM: Could I direct your
3 attention to tab 17?

4 THE CHAIRPERSON: Perhaps you should
5 specify which of the two versions.

6 MR. FROMM: Yes. To the one we were
7 given yesterday, one of three, where it says across the
8 top, "Welcome, Jadewarr." Do you see that, Mr. Warman?

9 MR. WARMAN: I do.

10 MR. FROMM: Can you explain what that
11 is, "Welcome, Jadewarr?"

12 MR. WARMAN: It appears to be a name
13 that was logged in under.

14 MR. FROMM: By whom?

15 MR. WARMAN: I'm sorry, I don't know.

16 MR. FROMM: Would that not have to
17 have been by you?

18 MR. WARMAN: No, it would not.

19 THE CHAIRPERSON: Because you
20 indicated earlier that this was not a copy that you had
21 printed out.

22 MR. WARMAN: That I produced, no.
23 The second copy is the one that I produced.

24 THE CHAIRPERSON: Does your name
25 appear on this one?

1 MR. WARMAN: The second copy was
2 printed off in my presence.

3 THE CHAIRPERSON: It was printed off.

4 MR. FROMM: Then who is Jadewarr?

5 MR. WARMAN: I'm sorry, it's not my
6 document.

7 MR. FROMM: But it was produced in
8 your presence?

9 MR. WARMAN: No, the second document
10 I printed off.

11 MR. FROMM: The second document,
12 which is the clearer copy, says "Italy for Italians" at
13 the top. You can see that. Is that the one?

14 MR. WARMAN: It does, yes.

15 MR. FROMM: The other one, the one
16 that was given to us yesterday, which is much less
17 clear and says to Der Totenkopf, but at the top it says
18 "Welcome, Jadewarr..." you say that was printed off in
19 your presence?

20 MR. WARMAN: No, it was not.

21 MR. FROMM: It was not. Then what's
22 the origin of it?

23 MR. WARMAN: I don't know.

24 THE CHAIRPERSON: You don't know now
25 but you mentioned earlier that it was from the

1 Commission. That's what I heard you say.

2 MR. WARMAN: It originates in the
3 broadest sense with the Commission.

4 THE CHAIRPERSON: So the Commission
5 had produced this photocopy?

6 MR. WARMAN: Yes, but in terms of its
7 specific origins, I have no idea.

8 MR. FROMM: Is it your testimony,
9 then, that it's a Commission document?

10 MR. WARMAN: It originates with the
11 Commission. I do not know its providence.

12 MR. FROMM: In my submission, then,
13 it shouldn't be an exhibit if we don't know where it
14 came from.

15 MR. VIGNA: Mr. Chair, the document
16 that was produced this morning was produced by Mr.
17 Warman.

18 THE CHAIRPERSON: Right. It was my
19 suggestion that we keep it because there was some
20 testimony about that yesterday. I just wanted to keep
21 the record complete.

22 MR. FROMM: Then what we have been
23 given this morning is substantially different from the
24 copy we had yesterday. Yes, the text from Jessy
25 Destruction would appear to be the same.

Canadian "Human Rights" Commission finds promotion of "Hate" by RCMP - No Problem

Canadian "Human Rights" Commission finds promotion of "Hate" by RCMP - No Problem

CHRC proceeds only against White working-class victims

On August 14th, 2006, the Canadian Human Rights Commission (CHRC) found that there was no problem with officers from the Royal Canadian Mounted Police sending messages that would "likely expose" First Nations persons and White persons to hatred and/or contempt, contrary to section 13(1) of the Canadian Human Rights Act.

Some of the hate messaging by RCMP officers include:

"curb-stomping Whities," slapping women and shaking babies."
"The RCMP is always chasing me/Cause I'm a smelly ****ing native
and I can't even see",
"The RCMP's always chassing me, cause I stole six cases of Mr. Clean.
The RCMP's always chasing me / because I stink"

This decision comes on a heels of a August 10th, 2006, ruling by the Canadian Human Rights Commission to allow officers from the Edmonton Police to post hate messages on the Stormfront.Org website. Included in those posts by an Edmonton Police Officer were: "how can u hold the little redskin responsible he's only an animal..." and "With any luck they will end up like the nogs in the states who predominantly kuill each other."

The Canadian "Human Rights" Commission never bothered to conduct a proper investigation or even contact the RCMP for their side of the complaint. Instead, the complaint was swept under the rug. Unlike White working class individuals who the CHRC obsessively harass with a vengeance, the RCMP are not the preferred targets of the politically correct enforcers.

Acting like typical anti-freedom dictators, Marc Lemire hit a road block at every turn while trying to file the complaint. It took almost a dozen e-mails and faxes to get any action from the Commission, including a letter that had to be written to the head of the CHRC. Contrast that to the treatment other complainants have received which includes the Commission even writing up the complaint for them! In my case, the complaint was returned because Dean Steacy - "Human Rights" Investigator - claims it was "double-sided" even though it had been faxed!

The real reason the CHRC doesn't want to accept my complaint is because they are only interested in persecuting working-class whites with limited or no means of being able to defend themselves. .

Of the 30 or more cases involving infractions of Section 13 of the Canadian Human Rights Act (hate messaging) every single one of them involves a respondent that is: White, working-class, and with no means to properly defend themselves. Starting with John Ross Taylor, Tony Macleer, Marc Lemire, Melissa Guille, Eldon Warman, Fred Kyburz and every single person EVER brought before a tribunal has been white, poor and with limited resources.

The Canadian Human Rights Commission is not impartial. Instead, it is motivated by an anti-Majority political agenda. It refuses to accept complaints against police promoting hate, has yet to respond to repugnant Gangsta rap and ignores sites that promote hatred against Majority groups such as Whites and Christians, The makes a farce of the CHRC supposed mandate of fighting "racism" and "discrimination."

What is the Canadian "Human Rights" Tribunal?

The Canadian "Human Rights" Tribunal (CHRT) is a quasi-judicial body. Since the inception of this law, not a single person has ever won a case before the tribunal. Almost Every ruling in the vexatious complaint against Marc Lemire has favoured the Canadian Human Rights Commission.

The Canadian "Human Rights" Tribunal at previous hearings has ruled:

- -Truth is no defence
- -Intent is no defence
- -Fair comment is no defence

In fact there are ZERO defences available!

- -Any evidence is allowed (hearsay, double hearsay)
- -It does not need to show any proof of actual harm caused by the things that

8

have generated complaints.

- -The standard of proof is very low and is based on a "balance of probabilities," not "beyond a reasonable doubt" as is in a criminal cases.

The Canadian "Human Rights" Tribunal can:

Issue a Cease and Desist (C&D) order:

An order that is enforceable by the Federal Court of Canada. The C&D order can be very broad and literally silence the person against whom it was issued. If disobeyed, the individual can face up to FIVE years in Prison (Federal court Rules - Rule 472) [John Ross Taylor spent one year in jail

Assess fines and award "special compensation" to the complainant:

- Fines: Can award up to \$10,000 in penalties [Sec 53(3)]
- "Special Compensation": Up to \$20,000 to compensate "victim" [Sec 60(f)]
- Up to \$20,000 for "willful or reckless discrimination" [Sec 60(g)]
- All fines have outrageous interest rates applied if not paid immediately

The Canadian "Human Rights" Tribunal is attempting to conduct itself like a real court and be punitive (punish people like a criminal court with the power to levy fines) The Canadian Human Rights Act was intended to be remedial and remedy supposed discrimination but it's failing miserably. Instead, it has become an instrument through which which minority groups can persecute those who dare criticize them..

Stand up and help us fight the Canadian Human rights Commission and expose its anti-Majority agenda! Don't let it take away our democratic right to free expression. www.freedomsite.org

The Canaidan Human Rights Commission is political policing pure and simple. It's not about equity or fairness.

They've never gone after websites promoting White-hating, women-hating, cop-hating Negro gangsta rap lyrics. They've never gone after a Zionist site or a minority site.

They exist to suppress the opinons of White nationalists, social crediters, anti-Zionists and people who believe in free speech.

Call it TYRANNY!

The CANADIAN RIGHTS DEFYING HUMAN TYRANNY COMMISSION, that is their true name, that is what they are! It has become a political jewish inspired racket to call an organization by a name which represents the opposite of what they stand for.

How sad it is that civilized law and rule had to die so quickly in this young and once promising country!

☺ Makes a KLINGON court look pretty democratic and fair.

Especially the part of no legal representation.
Guilty until, well actually always.
No charter rights of: opinion, thought or bellief.
No freedom of speech.
No dissent against government or power.
Only whites to be charged. (99%)
White to be profiled as neo nazis.
No appeals.

Even the Prime Minister said:

Stephen Harper (Conservative Party Leader, current Prime Minister) "Human Rights Commissions, as they are evolving, are an attack on our fundamental freedoms and the basic existence of a democratic society...It is in fact totalitarianism. I find this is very scary stuff." (BC Report Newsmagazine, January 11, 1999) We agree!!

Re: Canadian "Human Rights" Commission finds promotion of "Hate" by RCMP - No Problem

What did you expect from the govt??? I read your stuff with interest but, didn't the RCMP deal with the officers in question? From what I read in the paper, I was under the impression that the officers were punished. SO I don't understand why you're making a complaint. I also read Human Rights Act and it would seem to me that if the RCMP dealt with it, the CHRC wouldn't deal with it.

Anyways, I'm no expert and I don't know why all this effort is being wasted on filing a complaint where the perpetrators had arleady been punished.

Canadian Human Rights Commission

Hi

I read your comments concerning bogging down the CHRC with interest. I'm not exactly sure how one goes about that without identifying themselves. It appears from reading the threads that people like Terry, when found out, lost their jobs. I don't want to lose mine. Any thoughts on this??

You will have to identify yourself, but not your politics. If your claim is of a religious nature you may be asked your faith.

It is advisable that you keep your politics and associations to yourself if for no other reason that to give your claim credibility. You must know too that your claim will become public record and archived just so you know...your case and some of what you may say will be open to all. First you should get to know the charter so your claim will have trajectory beyond an initial complaint to be dismissed. If it is trashed like mine was you can appeal, as I did several times and won each time.

Should a person or group even seem to violate the charter you can make a claim against them and fear no legal retaliation. If

13

you can, phone in and talk to someone at the office of the CHRC for additional advice as they are quite helpful.

The problem with Terry is he gave too much info on this site that allowed Warman and co. to locate him. His situation is one I fear too as I am going after a masters with the hopes of an academic career, which is why we must always be careful what we say, where, and to whom.

The CHRC has been a weapon used against us for too long....time we turned their swords back on them. Good luck.

Questions determine answers.

Ok thanks. It sounds like a lot of work so I don't think I will be doing it and after reading the threads from marc lemire, it looks like he's having his own sort of problem.
